

March Newsletter – Kids’ Club

As we continue our journey through the month of March, we are thrilled to welcome four new additions to our program: Isla, Nolan, Sam, and Eddie! Each one of them brings their own unique talents, interests, and personalities, enriching our Kids’ Club community.

March Highlights:

March has been filled with memorable moments and highlights. As we finally said goodbye to snow, we eagerly embraced the opportunity to play outside, enjoying activities such as climbing the play structure, engaging in a 4-square game, and practicing our soccer skills.

Indoors, we celebrated various occasions including International Women's Day, St. Patrick's Day, and Easter through engaging craft activities. Our children crafted beautiful cards decorated with flowers for their moms, grandmas, and teachers. Additionally, we explored the symbolism of luck with decorated clovers featuring inspiring quotes. As Easter approached, we delved into the tradition of decorating eggs, adding a colourful touch to our festivities.

This month, we introduced the exciting “Among Us” game, which has sparked enthusiasm and brought a new dimension of fun to our program.

What’s New:

We are delighted to announce the addition of four captivating books to our library. The new Cat Kid Comic Club collection has quickly become a favourite among our young readers, sparking imagination and fostering a love for reading.

Furthermore, we have invested in a new soccer ball and street hockey balls, enhancing our outdoor activities. In the upcoming period, we look forward to incorporating small stick hockey games on the grass, providing our children with new opportunities for active play and skill development.

Thank you for joining us on this exciting journey through March at Kids’ Club. We look forward to continuing to create wonderful memories and experiences here.

Stay tuned for more updates and adventures from Kids’ Club!
