

September Newsletter - Kids' Club

September Recap

Summer flew by this year, and the staff at the Kids' Club Afterschool Program were thrilled to welcome back our returning kids and meet all our new friends on Tuesday, September 3, 2024. We had a fantastic start to the year with our full capacity of 32 kids enrolled in the program. The new kids have been integrating wonderfully, thanks to the warm welcome from the returning ones.

With the lovely weather, we've been spending most of our time outdoors, enjoying a wide range of activities from soccer and four square, to exploring the play structure, playing with kinetic sand, nature exploration, and chalk drawing. Indoors, the kids have been diving into reading, making jewelry, building with LEGO, and getting creative with various crafts. The new dolls with stethoscopes have been a big hit as well. We recently bought the entire Diary of a Wimpy Kid series and pre-ordered the 19th book, which is expected to arrive in October.

Birthdays

In September, we wished a happy birthday to our friends Charlotte, Owen, Sawyer, and Naomi.
