February Recap

What an exciting month we've had at Kids' Club! From crafting and building to exploring snowy adventures, here's a look at all the fun things we did in February!

★ Creative Valentine's Day Crafts

We kicked off the month with some traditional Valentine's Day crafts, making heartfelt cards, felt hearts, and even dream catchers! The kids loved adding their own touch while personalizing their projects.

❄️ Snowy Adventures

Inspired by the Neighborhood Snow Sculpture Competition, our young builders created some amazing snow sculptures! From two-headed snowmen and squirrels to a big bear and an entire snow city called "Down Street City," filled with rooms, excitement, and surprises!

🧶 Knitting

Knitting was a huge hit this month! With some guidance and patience, the kids created their own fun little projects.

📖 Book Collection Update

We couldn't resist adding more exciting books to our library. This month, we bought Guts, Big Nate, and Wings of Fire, completing our book collections!

🏒 Mini Stick Hockey Madness Continues

Mini stick hockey is still going strong! We even had to get new mini sticks since the old ones broke from all the action.

🧱 Lego Masterpieces

Lego time never gets old! We loved seeing the kids build new, creative masterpieces. It's always fun to see what they come up with. Thank you to all the kids who helped with the LEGO cleanup!

Birthdays

In February, we wished our friends **Brandon** and **Freddie** a Happy Birthday!
