

November and December-Kids' Club

November and December Recap

We've had two exciting and active months at Kids' Club! While the weather was still mild in early November, we purchased a brand-new baseball set, and the children had a wonderful time practicing their swings and playing friendly games together.

As the snow began to fall, the fun only continued! We added five new red sleds to our outdoor equipment, as well as new hockey sticks and shin guards. The children were pulling each other on sleds, sliding down our little hill, and playing hockey in the fresh winter air.

Indoors, we've kept the atmosphere warm and lively with group games, creative projects, and cozy reading time.

Our craft stations have been busy with exciting winter projects, including:

- Making snowmen from small plastic pop bottles
- Painting snowy branches using watercolor paints and white crayons
- Sewing little red stockings and crafting dolls with long hair and beautiful dresses
- Making paper plate snow "globes," picture frames, and cards inspired by holiday themes

These activities have helped the children practice fine motor skills, creativity, and patience—while having a lot of fun along the way!

Whether outside in the snow or inside with friends, kids have been busy learning, laughing, and staying active.

As we wrap up the year, we want to thank you all for your continued support and wish you a joyful holiday season!

Happy Holidays from Kids' Club!
