January Recap

We would like to start by giving a warm welcome to **Parker**, who has joined our Kids' Club! We are very happy to have Parker with us, and the kids have already enjoyed getting to know her.

January was very cold, but that didn't stop us from having fun outdoors! We managed to spend about 30 minutes outside each day, where the children enjoyed sledding and getting creative in the snow. They built snow forts, polar bears, penguins, and snowmen, making the most of the winter weather.

Inside, we stayed busy with lots of fun and creative activities. The kids worked on a variety of crafts, including plastic shrinkable pictures, pine cone owls, cross-stitching the first letters of their names, air-dry clay modeling, and levitating foam balls. We also learned new card games, which quickly became favorites. We added some exciting new items to our collection as well - a new Dog Man book and a new board game. Foosball and air hockey were especially popular this month and brought lots of energy and laughter to the room.

We are hoping that February will be a bit warmer, but no matter the weather, we're looking forward to another month full of fun and creativity.

Birthdays

- In January, we wished a happy birthday to our friend **Elliora**
